

CALIFORNIA ASSOCIATION OF YOUTH COURTS

APPLICATION FOR YOUTH ADVISORY MEMBER

Six youth members will be selected each year as advisory members to the Board of Directors of the California Association of Youth Courts. Youth members will be asked to give their opinion on many issues concerning the development of effective youth court programs in this state. The term is for one year, but may be renewed for successive terms if approved by the Board. Youth members must be associated with a youth court program and must be in the 9th to 12th grade. It is expected that the Board of Directors will meet four times a year and will hold additional telephone conference meetings as needed. While every effort will be made to cover travel expenses, the youth member may need to seek help from others to cover some of the costs. Youth applying for an advisory position must inform their youth court coordinator of their application.
